Getting to, and through, trial is a big step toward resolving litigation—but getting (or losing) a judgment isn't the last step in litigating a case. From the start of the litigation, attorneys should be mindful of what may come after a trial, and should be taking critical steps to lay the groundwork for it. Our panel will discuss.

The event will be hosted by Judicate West at its offices in downtown Los Angeles. Participants may also attend remotely using Zoom. Lunch will be available for in-person attendees.
